Work Day

May 10, 2008

In lieu of regular monthly meeting, members worked as part of the PALS program to maintain a section of CoRd 63. Hats off to members who were able to come out and pick up trash that day: Larry & Mimi Barkey, Dorothy L. Everett, Lucille White, Don Swaney, Owene Godsey, and Tom and Betty Denton. Rick Harris and Buddy Estes were helping gather the filled bags of trash. Thanks to all.
